

# Checklist for New Staff Members at Paderborn University

## First organisational steps at your new workplace

Below, you will find an overview of the things that you need to do in order to get started at your new workplace at Paderborn University. You can take care of **certain steps yourself** before your first day (e.g. requesting your email address), however most of the tasks will be completed during your first few days and weeks in your new office. Please discuss this with your supervisor.
